

***Watch sugar content if extra ingredients include sugar, chocolate, nutella, etc.

1 ¼ bricks of cream cheese at room temperature
2 cups sugar

Cream the cheese and the sugar until smooth and light

1 TLB vanilla
12 eggs (whole)

Add eggs and vanilla to cheese mixture,
one egg at a time until it is well blended.
Scrape side of bowl often to ensure even consistency.

Make crust from 2 ½ cups ground
cookies and ¼ cup melted butter

Pour cheese on top of crust, wrap pan in foil
and bake in water bath until firm –
approximately 45 – 65 minutes.
